Philosophy and Ethics: The Lessons of Philosophy and Ethics (Paperback)

By MR Sondeep Patra

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English. Brand new Book. I shall not now speak of the knowledge of the Hindus .of their subtle discoveries in the science of astronomy .discoveries even more ingenious than those of the Greeks and Babylonians .of their rational system of mathematics, or of their method of calculation which no words can praise strongly enough - I mean the system of nine symbols . if these were known by the people who think that they alone have mastered the sciences because they speak Greek they would perhaps be convinced, though a little late in the day, that other folks, not only Greeks but also men of a different tongue, know something as well as they The Syrian astroner - monk Severus Sebokit (writing AD 662) Hinduism is the most ancient religion among all the great living religions in the world today.Hinduism has for its basis and source the timeless spiritual vision and revealed knowledge of the sacred Vedas and the lofty teachings and deep wisdom of the Saiva Siddhanta .The ancient sages through their communion with the unseen power have realized that the source of all power...

Reviews

This composed book is excellent. This really is for all who statte that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.

-- Cheyanne Barrows

The book is fantastic and great. I have go through and i also am certain that i will planning to read through once more once more down the road. Its been printed in an exceedingly simple way and is particularly simply after i finished reading through this publication through which really changed me, change the way i think.
